Hello everyone!

Vikend je mimo, ampak ne boste verjeli, smo že v zadnjem tednu maja! 😊

Današnjo uro bomo predelali besedilo v našem učbeniku. Da pa bo ura malce drugačna, boste danes uporabljali svoj **pravi učbenik** in pa tudi **spletni učbenik**.

Klikni na povezavo: [Učbenik T8 stran 153](#)

Povezava te pripelje na

A screenshot of a digital textbook page. The page is titled "AT THE PIZZA-RESTAURANT" and is part of "unit 4 LIFE IS (NOT) A FILM". The page number "153/208" is visible in the top navigation bar. A red arrow points to a play button icon next to the text "1 Megan and Daniel have dated each other for three weeks, and Daniel has decided to invite Megan to a pizza-restaurant. Listen and read." Below this is a menu for "TOPOLINO'S PIZZERIA (Take-away & Delivery)". The menu includes "Special Offers for Teenagers" and a list of pizzas with images and names: CHEESE & TOMATO, HAM & MUSHROOM, PEPPERONI, GARLIC BREAD, FRESH VEGETABLE, HAM & PINEAPPLE, CHICKEN & MUSHROOM, BACON & MUSHROOM, and SEAFOOD. There is also a section for "EXTRA TOPPINGS" and "SOFT DRINKS". At the bottom, there is a dialogue between Daniel, Megan, and a Waitress.

Kot vidiš bomo poslušali besedilo. Klikni na gumb za predvajanje in zraven tudi beri besedilo v svojem učbeniku.

Pogovor si verjetno razumel, saj besedilo ni ravno težko. Sedaj pa si preberi še meni restavracije TOPOLINO'S PIZZERIA, ki je na sliki nad pogovorom, ki smo ga ravnokar poslušali.

Verjetno se tukaj pojavi kakšna nova beseda, zato jih sedaj prepisi v zvezek:

take-away – restavracija s hrano, ki jo odneseš s seboj

delivery – dostava

special offer – posebna ponudba

popular variety – priljubljen izbor

a deep-pan pizza – pica z debelim testom

alternatively – ali pa

staff – osebje

on request – na zahtevo / željo

topping – dodatek za povrhu jedi

endless – neskončen, neomejen

Zdaj pa zapri zvezek, saj gremo naprej na reševanje nalog v spletnem učbeniku: [Učbenik T8 stran 154](#)
