Look at the house.

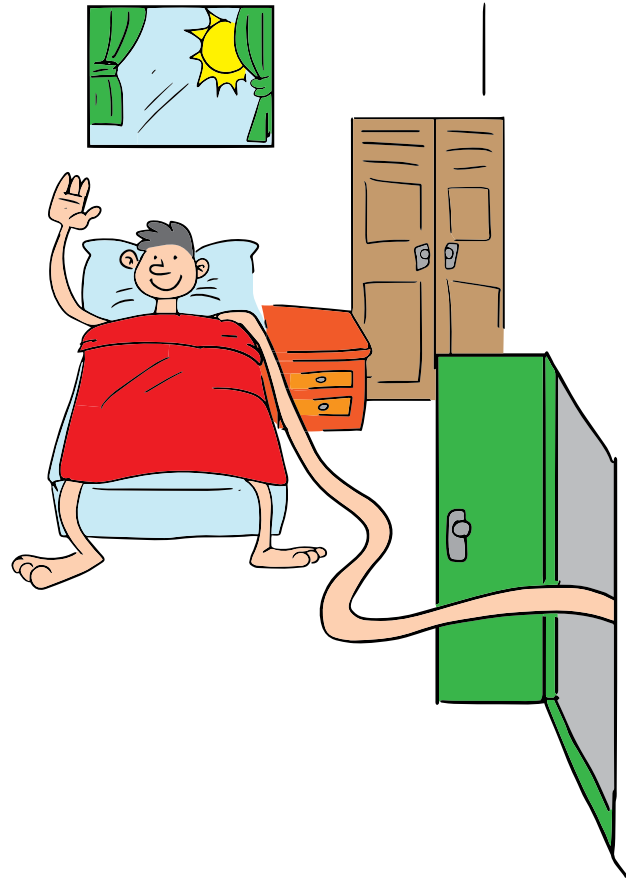

Who could live here?

In the bedroom.

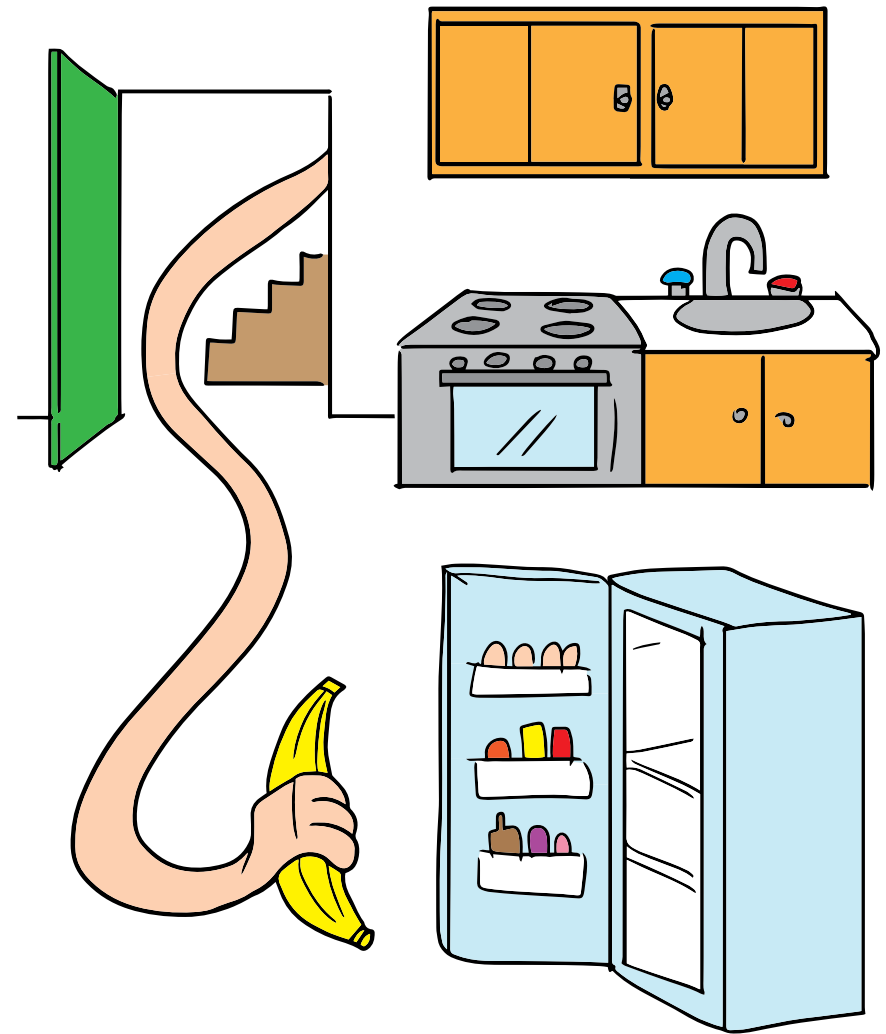

It's Mr. Stretch!

Mr. Stretch can stretch his body very far. So he doesn't need to get out of bed!

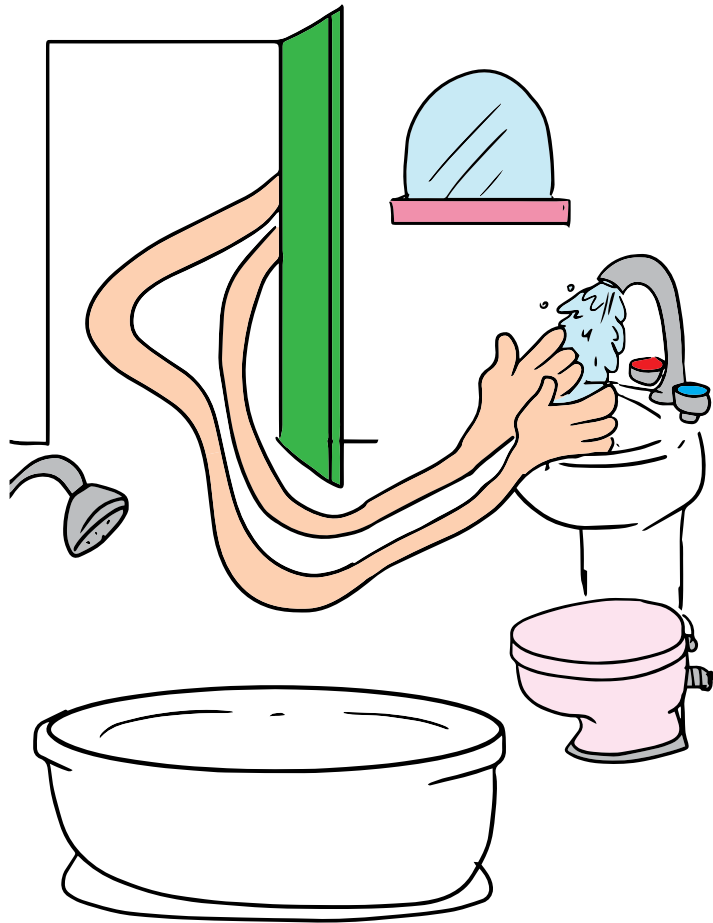

Mr. Stretch is hungry.
What is he doing?

In the kitchen.

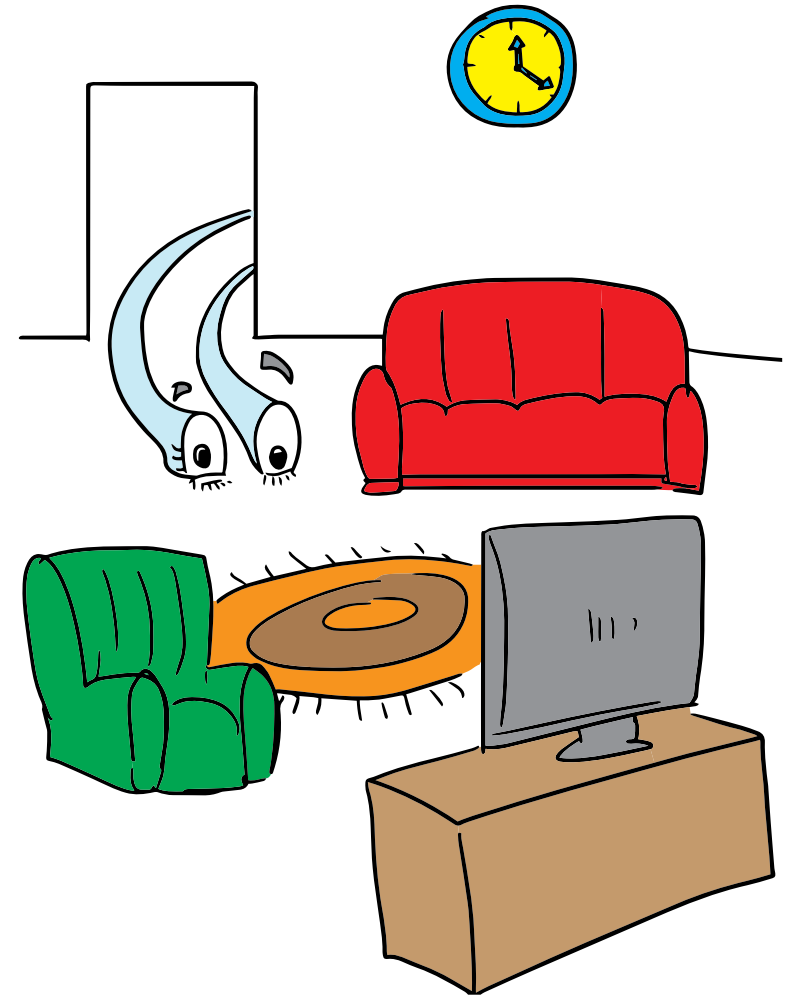

He is getting a banana from the fridge!

In the bathroom.

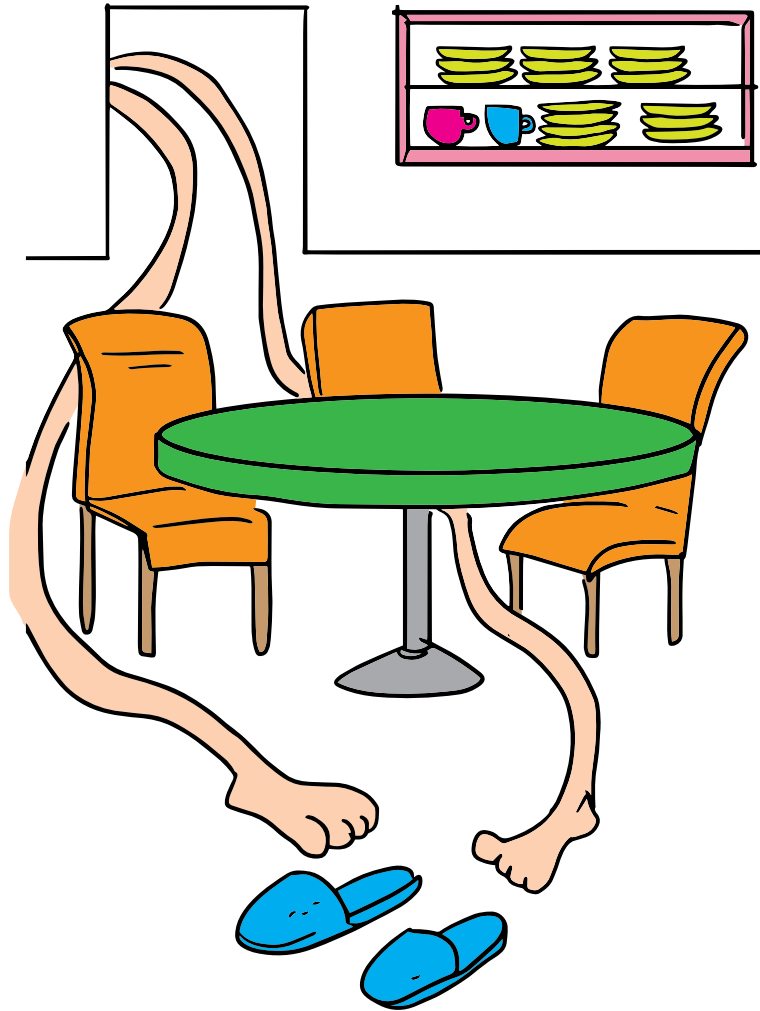

The banana was delicious! Now Mr. Stretch has sticky hands. So he stretches his arms into the bathroom to wash his hands in the sink!

In the living room.

Mr. Stretch is bored. He wants to watch T.V. So he stretches his eyes to the living room and watches T.V.!

In the dining room.

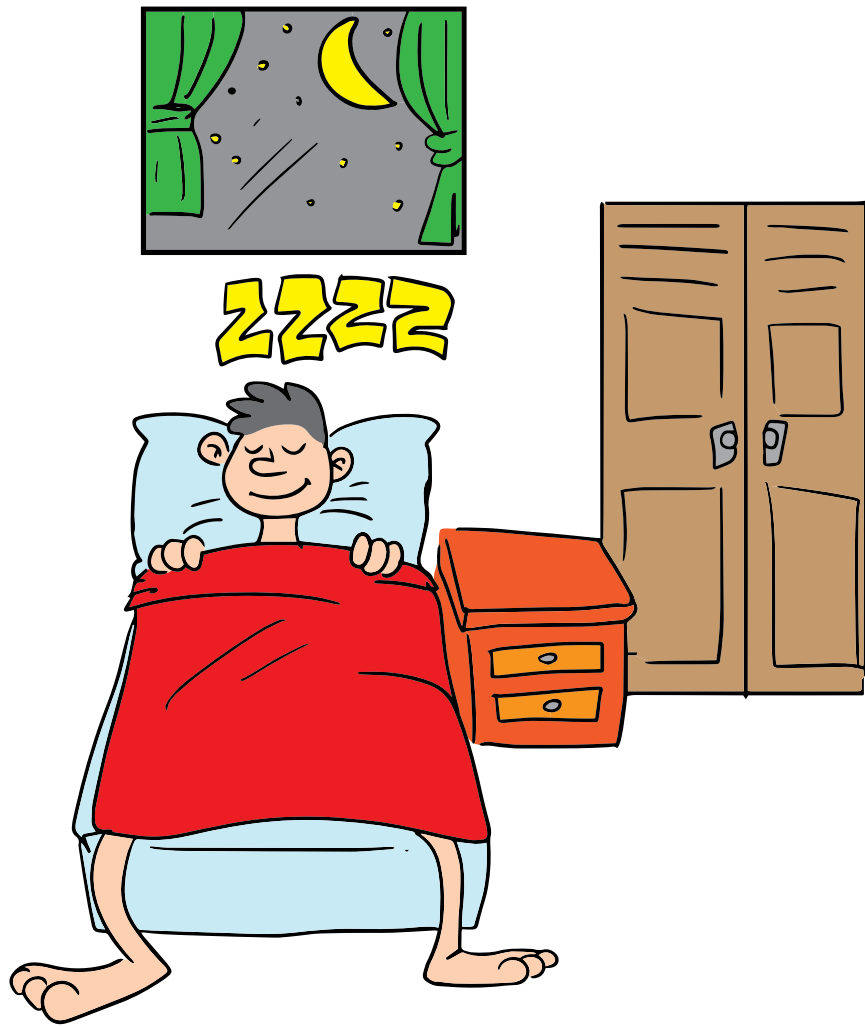

Mr. Stretch's feet are cold. So he stretches his legs into the dining room and puts on his slippers!

In the garden.

It's time to water the flowers. Mr. Stretch stretches his arm out of the window and waters his flowers!

It's night. Mr. Stretch is fast asleep.

Good night Mr. Stretch!
