Internship For students in Spain

Dear school coordinator,

I hope you are in good health in this new year 2024. At Animafest, we believe in providing students with international experiences. Our goal is to help them develop their skills and to get practical knowledge that will serve as a foundation for their future careers. We would like to share with the opportunity for internship positions in various sectors in Spain, starting from the hospitality industry to marketing in best companies in Spain. **Students will be offered scholarships, accommodation and meals in more than 2,000 offers.**

We provide offers without any charge

Our internships give a unique chance for students to discover Spain, a country rich in culture. These practices are customised to meet the specific needs and interests of each student, whether they are interested in :

- **customer service**
- **human resources**
- **marketing**
- **administrative sectors**
- **restaurant and bar**
- **cooking**
- **entertainment**
- **reception**

Start of internships all year round. 3,4,5,6 month internships

All students are eligible to apply for an Erasmus grant, and the necessary documents will be signed by the companies. This will enable them to receive additional financial support.

Thanks to our extensive network across various sectors in Spain, we ensure that our interns have a valuable and meaningful experience. We are dedicated to supporting their success, from assisting with document preparation to securing an internship, guiding them throughout the process.

To start the application process, your students should create an account on our [website](#). After that, they can reach out us by [WhatsApp at +34 697 184 146](#) to ask about internship options, and to help us to gain a better understanding of their interests and qualifications.

As a company dedicated to promoting international internships, we

strongly believe that this experience is crucial in preparing students for a future international career.

We are also interested to cooperate with your school to provide internship in Spain for your students. We propose you to contact us if you need more information. We would like to invite coordinators and their students for a video meeting to discuss the opportunities available to the students. The meeting will take place with CEO of Animafest, Santy Matamala. You can schedule an appointment using the provided [link](#).

Our website

Thank you for your attention. And we hope to hear you soon

Kind regards,
Animafest.

Santy Matamala
