

ON A BROOMSTICK (melodija Mojster Jaka)

On a broomstick, on a broomstick,
Witch and cat, witch and cat.
There's a strong wind blowing,
There's a strong wind blowing,
Lost her hat, lost her hat.

On a broomstick, on a broomstick,
Flying high, flying high.
Then she lost her hair bow,
Then she lost her hair bow,
Down they dive, down they dive.

On a broomstick, on a broomstick,
Fly around, fly around.
But they're all too heavy,
But they're all too heavy.
What's that sound? What's that sound?
