ANGLEŠČINA – 4. razred

V povezavi z igračami boš ponovil/a uporabo have got in has got (imam, ima).

TOYS - igrače

1. Odpri učbenik na strani 44, 8. naloga: Memory game. **Minuto opazuj sliko**, zapri učbenik **in** na list po angleško **zapiši** predmete, ki si jih zapomnil/a. Nato besede primerjaj s sliko in rešitvami na koncu dokumenta.

2. a) **Poslušaj** spodnji posnetek **in ponavljaj**. Nalogo najdeš tudi v učbeniku na strani 43.

POSNETEK

6 a) Listen and repeat.
Poslušaj in ponovi.

Ker si ponavljal/a in govoril/a, kot da si Luke ali Keira, si uporabil/a **I HAVE GOT** oziroma krajše **I'VE GOT** (imam).

b) Zdaj pa **povej**, katere igrače **ima** Luke in katere Keira.

Primeri: Luke has got a car. Keira's got a balloon.

Uporabil/a si **HAS GOT** oziroma krajše **'S GOT** (ima).

c) **Zapis v zvezek:**

SB p. 43 / e. 6

Zapiši stran in nalogo v učbeniku ter 6 povedi;
dve, da poveš, katere igrače imaš ti,
dve, da poveš, katere igrače ima Luke
in dve, da poveš, katere igrače ima Keira.

3. Sedaj utrjuj znanje z nalogami **v delovnem zvezku**. Najprej **odpri na strani 39** in **reši** 5. nalogo. Nato se loti še 6. in 8. naloge, **na straneh 40 in 41**.

5. naloga: Poveži otroke z igračkami in zapiši, kaj imajo. Glej primer.

6. naloga: Vsaka slika ima dve povedi. V eni je **HAS GOT** (*kjer lahko osebo zamenjaš s HE ali SHE: a boy, a girl, Petra, Tim, a teacher, my dad ...*), v eni pa **HAVE GOT** (*pri vseh ostalih osebah: I, you, we, they; torej tudi, kadar gre za več oseb*).

8. naloga: Najprej osebo/e poveži s have got ali has got, nato pa še z igračkami. Spodaj zapiši še ustreznih 5 povedi.

Rešitve nalog:

1. a bunny, seven, an octopus, an elephant, a train, an umbrella, two, a ball, an ice-cream, a robot, a hamster, an apple, a snake, a computer, a balloon, a kite, a telephone

2. c)

Na primer:

I **have got** a teddy bear.

I **'ve got** a puzzle.

Luke **has got** a robot.

He **'s got** a ball.

Keira **'s got** a doll.

She **has got** cards.

Lahko si uporabil/a daljšo ali krajšo obliko:

HAVE GOT ali 'VE GOT oziroma HAS GOT ali 'S GOT.
