Stran 33, naloga 27

The donkey, the dog, the cat and the cock ran away from home. They walked and walked and walked.
 The night came.
 The animals came to a small house in the woods. The donkey looked through a window. ' Robbers !
 They've got food. I'm hungry !'
 The dog climbed on the donkey, the cat climbed on the dog and the cock climbed on the cat. Then they started singing very loud. It was hee-haw, bow-wow, miaow and cock-a-doodle-doo at the same time. The robbers ran away.
 And the animals lived happily ever after.
