

PROJECTS

I. Heroes

Choose a hero. Research facts about him or her. Design a poster to present your hero. Izberi si junaka/junakinjo. Razišči dejstva v zvezi z njim/njo. Oblikuj plakat in predstavi svojega junaka/junakinjo.

II. Film project

Choose a book to turn into a film. Decide what the 'message' will be. Choose your dream actors and director. Present your ideas on a poster. If you have time, make a real film. Izberi knjigo, po kateri bi posnel/a film. Odloči se, kaj bo 'sporočilo' filma. Izberi sanjske igralce in režiserja. Svoje zamisli predstavi na plakatu. Če imaš čas, posnami pravi film.

III. Feelings

Choose an emotion (e.g. happy, sad, excited, etc.) and design a poster to illustrate this. Use colours, objects (e.g. flowers), texts – anything that expresses your personal feelings. Izberi čustvo (npr. sreča, žalost, vznemirjenje itd.) in ga predstavi na plakatu. Uporabi barve, predmete (npr. rože), besedila – kar koli, kar izraža tvoja čustva.

IV. Your place and tourists

Do tourists visit your town? If so, what do they want to see? Make a mini tourist brochure for them. Find some pictures to illustrate your poster. Ali turisti obiskujejo tvoje mesto? Če da, kaj želijo videti? Napravi mini turistični prospekt za njih. Poišči nekaj slik svojega kraja in z njimi ilustriraj plakat.

V. Class trip

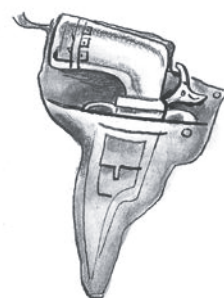

Plan the ideal class trip. Then design an ad to 'sell' it to other people. Načrtuj popoln razredni izlet. Nato oblikuj oglas, s katerim boš ta izlet 'prodal/a' drugim ljudem.

VI. Unusual shapes of countries

Unusual shapes of countries. Look at the pictures below. They show the outlines of four countries and/or continents that are unusually shaped. Find some outlines of countries and try to use their shapes as a basis for your illustrations. Nenavadne oblike dežel. Oglej si spodnje slike. Prikazujejo obrise štirih dežel in/ali celin, ki so nekoliko nenavadne oblike. Poišči nekaj obrisov dežel in njihove oblike uporabi kot podlago za svoje ilustracije.
