Tom is dreaming about his holidays

Next summer I'll spend my holidays at the seaside. I won't go to the mountains because I get tired too soon. We'll travel by train, not by car. On the train I'll look out of the window. We'll stay in an expensive hotel. Our food will really be delicious, and the service will be quick. In the morning I'll go to the beach. There I'll collect hundreds of shells. Maybe I'll make a sand castle. Then I'll swim in the crystal blue water. I'll lie under a palm tree and drink juice. On rainy days I'll stay in bed for hours. A servant will bring me breakfast and I'll eat and read an interesting book in bed. It'll be great fun.

- 0) Where will Tom spend his holidays next summer? At the seaside.
