MY DAY (Moj dan)

Lepo pozdravljeni, nadaljujemo z opisovanjem naših aktivnosti v dnevu. V tokratni uri je nekoliko več razlage, ki jo natančno preberi.

1. Pripravi učbenik na strani 34 in si poglej nalogo 18.

Poglej tabelo v učbeniku in nato preberi spodnjo tabelo.

I (jaz)	BILL
I play computer games.	Bill plays computer games.
I do homework.	Bill doesn't do homework.
I don't visit friends.	Bill visits friends.
I don't make my bed.	Bill doesn't make his bed.
I help my parents.	Bill doesn't help his parents.
I don't go for a walk.	Bill goes for a walk.
I don't read books.	Bill doesn't read books.
I watch TV.	Bill watches TV.

V čem se razlikuje prvi stolpec tabele od drugega?

V prvem stolpcu govorimo v 1. osebi ednine – JAZ (I)

V drugem stolpcu govorimo v 3. osebi ednine – ON (Bill – he)

Ker se **spremeni OSEBA**, se spremeni tudi **GLAGOL** (beseda, ki pove, kaj nekdo dela): dobi končnico **'S'** ali **'ES'**

Tudi v slovenščini se spremeni končnica glagola, ko **spremenimo** osebo. Poglej nekaj primerov:

Jaz kuham – ti kuhaš

you

she

Ona bere – oni berejo

they

you

Vi požete – mi pojemo

we

S tem ste se srečali že v 5. razredu pri hrani:

I like apples, but my mum likes pears.

I don't like meat and my mum doesn't like cheese.

ZAPOMNI SI: v angleščini glagol dobi končnico – S ali -ES, kadar je v povedi 3. oseba ednine: SHE; HE; IT.

Preberi primere:

I play tennis.

She plays tennis.

We watch TV.

He watches TV.

You swim in the sea.

It swims in the sea.

Podčrtane besede so glagoli, ki jim je v 3. osebi ednine (SHE; HE; IT) potrebno dodati končnico -S ali -ES.

2. Sedaj v zvezek zapiši zgornji **naslov**. Vrne se k tabeli v prvi nalogi. Primerjaj "moje" dejavnosti in "Billlove". Povedi **zapiši** v zvezek v obliki poročila.

EXAMPLE:

I **play** computer games **and** Bill **plays** computer games.

I **do** homework **but** Bill **doesn't do** homework.

I **don't go** for a walk but Bill **goes** for a walk.

nadaljuj ...

Paz na pravo
rabo:
AND in BUT

3. Za konec **naredi še nalogo** 36 v delovnem zvezku na strani 43.

REŠITVE:

I **play** computer games **and** Bill **plays** computer games.

I **do** homework **but** Bill **doesn't do** homework.

I **don't go** for a walk **but** Bill **goes** for a walk.

I **don't visit** friends **but** Bill **visits** friends.

I **don't make** my bed **and** Bill **doesn't make** his bed.

I **help** my parents **and** Bill **doesn't help** his parents.

I **don't read** books **and** Bill **doesn't read** books.

I **watch** TV **and** Bill **watches** TV.
