

Reading Comprehension – Bralno razumevanje

V današnji uri urimo **veščino bralnega razumevanja**. Ko beremo besedila v tujem jeziku vedno naletimo na besede, ki jih ne poznamo. Pomembno je, da znamo iz povedi in vsebine vseeno razbrati pomen in besedilo razumeti. Razumevanje prebranega besedila dokažemo z rešeno nalogo, ki besedilo spremlja. Rešena naloga je cilj bralnega razumevanja in ne pomenjene podrobnosti besedila. Drugače, kot če bi brali besedilo v svojem maternem jeziku.

1. Reši nalogo 42 v delovnem zvezku na strani 47.

Pred branjem si dobro ogledaj nalogo, ki jo je potrebno rešiti. Preleti RISBICE in VPRAŠANJA, na katera moraš odgovoriti.

UGIBAJ, kaj bo pisalo v besedilih V vsakem odstavku PRED BRANJEM najprej poišči ključne besede (get up / eat / breakfast / bed / pets ali sopomenke...). Okoli teh besed se skrivajo podatki, ki jih boš moral-a poiskati

Začni z branjem prvega odstavka in ob branju rešuj, dopolni tabelo. Nato nadaljuj z drugim in tretjim odstavkom.

2. Sedaj reši še nalogo 38 a in b na straneh 44 in 45. Prislove pogostosti moraš postaviti na ustrezno mesto v povedi. Se še spomniš:

→ Kadar ima prislov pogostosti le 1 besedo, stoji takoj za osebkom stavka:

*I **never** play the guitar. (Nikoli ne igram kitare.)*

→ Kadar je prislov pogostosti sestavljen iz 2 besed, stoji na koncu povedi:

*I play the guitar **every day**. (Kitaro igram vsak dan.)*

3. Za konec reši še nalogo 40 na strani 46. Sedaj preveri svoje rešitve.

REŠITVE NALOG:

nal. 38 a

- 1 The neighbour's kid **never** says 'Hello'.
