

## DIFFERENT TYPES OF HOMES

### 1. NALOGA:

V učbeniku str. 107 v nalogi 13 si oglej fotografije različnih vrst zgradb.

Preberi tudi opise in poskušaj ugotoviti, kateri opis sodi h kateri zgradbi.

### 2. NALOGA:

V zvezek napiši naslov: **DIFFERENT TYPES OF HOMES (Različne vrste domovanj)**

Nato napiši slovenski izraz za tako hišo, angleški izraz za hišo in prepisi ustrezen opis.

Torej takole:

STANOVANJE = FLAT/ APARTMENT ... A room or set of rooms used as a home.
