

When I am a parent...(Ko bom jaz starš...)

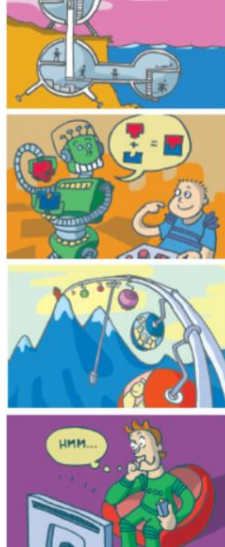

GOOD MORNING

Good morning, dear students. Ready to talk about the future? Good, let's go!

1. REVISION (ponovitev)

- Se spomniš, ko smo govorili o prihodnosti in kakšno bo življenje čez 100 let? Poglej si spodnje slike in se poskušaj spomniti, kaj smo v povezavi z njimi povedali. Če ne gre, si pomagaj si z učbenikom, stran 122.

- Sedaj poglej na stran **123 v učbeniku, naloga 3d**. Po spodnjem zgledu tvori stavke – za začetek le ustno. Glej primer:

For example: In the future parents will let children stay out longer. / In the future people won't eat pills instead of normal food.

- V zvezek napiši naslov **IN THE FUTURE** in nato zapiši 5 poljubnih povedi iz te naloge. Nekaj povedi naj bo trdilnih (will), nekaj pa nikalnih (won't).

2. THINK: What will you do as a parent? Look at the sentences below: (RAZMISLI: Kakšen starš boš ti? Poglej si povedi spodaj!)

- When I am a parent, I **will listen** to my children. (Ko bom starš, bom poslušal svoje otroke.)
- When I am a parent, I **won't shout** at my children. (Ko bom starš, ne bom vpil na svoje otroke.)

V zvezek dopiši še tri svoje povedi – uporabi trdilne in nikalne povedi. Piši kar pod naslov **IN THE FUTURE**. Lahko uporabiš kakšno idejo iz naslednjega nabora:

lie, trust, spend time, watch TV, play games, do homework, ground...

When I am a parent, _____
