

**PRIPRAVE ZA POUK NA DALJAVO, 9. razred**  
**31. ura (teden 25. – 29. 1. 2021)**

**TRPNIK V SEDANJIKU IN PRETEKLIKU**

Pozdravljen-a v novem tednu. Danes je ura namenjena še slovnici, in sicer **utrjevanju trpnika**, v naslednjih urah, pa se boš lahko malo odpočil-a od slovnice, ker se bomo ukvarjali s športi.

Pripravi si delovni zvezek in začni.

1. Za utrjevanje snovi prejšnjega tedna, boste najprej rešili naloge s **trpnikom v pretekliku**.

a) Za vse učence: DZ str. 70, **naloga: 36**.

**POMOČ:** Pomagaj si s podčrtanimi povedmi v opisu spodaj, saj so to stavki, ki jih moraš pretvoriti v trpni način.

**Monday**  
A terrible day. The children were moody and bored and everyone was bad-tempered.<sup>1</sup> Jack knocked over a vase and broke it. So I sent him to his room.<sup>2</sup> Tina and her cousin damaged the television with a football, so<sup>3</sup> I sent them to bed. There was only one bottle of milk and Max spilt it on the carpet, so I sent him to his<sup>4</sup> grandparents' house.<sup>5</sup> Then I sat down and cried.<sup>6</sup>

b) Za učence, ki vam angleščina ne dela težav: - glej točko a),

- **naloga 34 in 37** (str. 69 in 70).

\*\*\* Dodatno (delaš, če želiš, saj je naloga zahtevna): naloga 38 str. 70.

2. Do sedaj si reševal-a naloge trpnika v sedanjiku in posebej trpnika v pretekliku. Naslednji nalogi pa vsebujeta oba tipa povedi.

a) Za vse učence: **naloga 33** na str. 68 ter **polovica 39. naloge** (izberi si 2 izmed 4ih opisov).

**POMOČ:** Bodi pozoren-a ali se poved nanaša na sedanjost ali na preteklost.

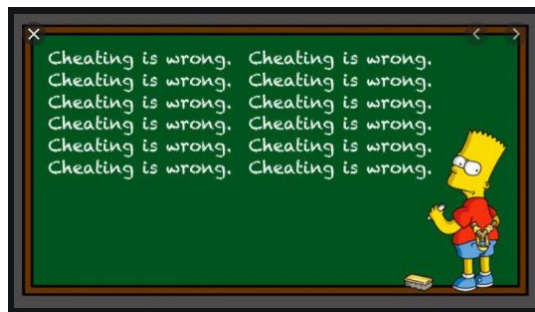

b) Za učence, ki vam angleščina ne dela težav: - glej točko a),

- **naloga 39** na str. 71.

3. Za zaključek te čakajo še naloge, kjer so pomešane povedi v tvorniku in trpniku v sedanjiku in pretekliku.

\*\*\* Dodatno (delaš, če želiš, vendar naloge niso tako težke, izvedel-a pa boš marsikatero zanimivost): naloge 40, 41, 42 na str. 72, 73, 74.

*Bodi fer in ne prepisuj iz rešitev, saj tako škodiš le sebi.*

Sedaj pa vzemi v roke rdeče pisalo in svoje odgovore preglej v spodnjih rešitvah ter popravi napačne.

**REŠITVE** v DZ:

**33**

- 2 Portuguese is spoken in Brazil.
