

## **ADJECTIVES – EXERCISES AND REVISION**

Pozdravljeni, današnja ura je namenjena utrjevanju besedišča – pridevnikov.

1. Odpri **delovni zvezek na strani 107/naloga 33** in jo reši. Pri tej nalogi bo vsak izmed vas imel drugačne rešitve, zato vam jih ne bom priložila. Izberi 3 like iz seznama ali se spomni svoje primere in napiši, kakšne so te osebe po značaju.

2. **Delovni zvezek, stran 108/naloga 34**: za to nalogo moramo malo ponoviti snov za nazaj. V 1. stolpec vpisujete pridevnike, v 2. stolpec njihove protipomenke, v 3. stolpec pa **PRISLOVE**. Kaj so že to prislovi?

**Prislove tvorimo iz pridevnikov tako, da jim dodamo obrazilo –LY. Po njih se vprašamo z vprašalnico KAKO?** Torej:

PRIDEVNIK (KAKŠEN?) → PRISLOV (KAKO?)

lazy (len) → lazily (leno) npr. nekaj počne leno

nice (prijazen) → nicely (prijazno) npr. prijazno me je pozdravil

patient (potrpežljiv) → patiently (potrpežljivo) npr. potrpežljivo me je poslušal

Sedaj reši nalogo v delovnem zvezku; na koncu preveri rešitve, ki jih prilagam spodaj.

3. **Delovni zvezek, stran 108/naloga 35**: preberi navodila, reši nalogo in preveri rešitve.

4. **Delovni zvezek, stran 109/naloga 36**: razmisli, kakšni morajo biti ljudje, da uspešno opravljajo našete poklice in za vsakega napiši 3 pridevnike; potem možne rešitve preveri spodaj.

5. **Delovni zvezek, stran 109/naloga 37**: reši nalogo, potem preveri rešitve. OPOMBA: učenci z DSP lahko to nalogo izpustite.

An **Uninteresting** Neighbour / A **Boring** Neighbour

I first met Bryan a year ago when he knocked on my door. "Hello," he said **coldly**. My name is Bryan, and I've just moved in next door, so I'm your new neighbour." Bryan is an **ugly, badly**-dressed young man. He is rather **short** and **fat/plump**, with blue eyes and **untidy dark** hair. He likes wearing **cheap** clothes such as T-shirts and tracksuits. He has a **poor** sense of humour, and I **hate** to listen to his **boring** stories. What's more, he is a very **hard-hearted/ unkind/cruel** person. He is also very **unfriendly, impolite, unhelpful** and **unreliable**. He enjoys **safe/unadventurous/unhazardous** sports such as walking the dog and digging the garden. He's a **poor/ clumsy** dancer too. All in all, life is never **interesting** when Bryan is around. Who wouldn't be **unhappy/sad** to have him for a friend and neighbour?
