

UTRJEVANJE OPISNEGA PRETEKLIKA

Pozdravljeni učenci. Za zadnjo uro angleščine v tem tednu sledi utrjevanje opisnega preteklika.

- V **delovnem zvezku na strani 58 in 59 najprej rešite nalogi 13 ter 15 a in b.** V obeh nalogah uporabljate samo opisni preteklik.
- Sedaj pa nekoliko težja **naloga 12 na strani 57 v delovnem zvezku.** Dialog med sosedoma je potrebno dopolniti z nekaj informacijami. Vstavljali boste **navadni IN opisni preteklik.** *PAZI: Učenci z DSP lahko to nalogo izpustite.*
- **Ostane nam samo še naloga 14 na strani 58.** Pri tej nalogi je potrebno tvoriti vprašanja. Pri tvorbi vprašanj si lahko pomagaš s spodnjim okvirčkom:

vprašalnica + WAS / WERE + osebek + glagol?

npr. What + was + Tom + doing there?

Sedaj pa vzemi v roke rdeče pisalo in se s spodnjimi rešitvami preveri.

KDOR ŽELI ŠE MALO POVADITI OPISNI PRETEKLIK:

Če želiš, lahko rešiš še delovni list, ki se bo nato sam popravil. Klikni na:

delovni list (POMEMBNO: zadnje naloge ne rešuj). Ko končaš, klikni

FINISH in nato **CHECK MY ANSWERS** in videl boš, kako se list sam

popravi. **GOOD LUCK!**
