

## Olačila – novo besedišče

Pozdravljen-a. Danes boš spoznal-a še nekaj oblačil - tista, ki jih nosimo na glavi (pokrivala), na nogah (obuvala), in tista, ki jih nosimo, ko gremo spat.

1. Najprej odpri učbenik na strani 28, naloga 13. Oblačila je potrebno razporediti v tri skupine glede na to, kako ali kdaj jih nosimo.

Najprej poslušaj POSNETEK 35 .

Sedaj USTNO tvori povedi o vsakem posebej. Glej primera:

What are sandals? They are footwear.

What is a hat? It's headwear.

2. Sedaj to znanje uporabi v nalogi 19 v delovnem zvezku na strani 29.

Ti je šlo dobro, kajne? Rešitve lahko preveriš spodaj.

3. Nadaljuješ v učbeniku (str. 28 / nal. 14). Poslušal-a boš pesmico *What else do we need?*, ki govori o tem, kaj potrebujemo ob različnih vremenskih priložnostih. V pesmici manjkajo besede, ki so zapisane v roza stolpcu. Da ti bo lažje, najprej poglej, kaj pomenijo vremenski izrazi.

### Slovarček:

It's sunny. – Sončno je.

It's raining. – Dežuje.

It's chilly. – Hladno je.

It's freezing. – Zmrzuje. / Zelo je mrzlo.

Poslušaj POSNETEK 36 .

V zvezek napiši naslov *What else do we need?* Sestavi 4 povedi. Pomagaj si z rešenim primerom, ki ga prepriši v zvezek, ostale tri dopolni sam-a. Na koncu rešitve preveri v pesmici, ki je med rešitvami.

1. When it's sunny, I need a T-shirt, shorts and sandals.
2. When it's chilly, I need \_\_\_\_\_.
3. When it's raining, \_\_\_\_\_.
4. When it's freezing, \_\_\_\_\_.

### 4. DODATNA NALOGA ZA USPEŠNEJŠE UČENCE:

Preberi 15. nalogo v učbeniku. V njej je napisanih 6 različnih povedi, s katerimi lahko pohvališ oblačila prijatelja ali prijateljice. Izberi 3 in jih prepriši v zvezek.
