## Room on the Broom

Once upon a time a witch and a cat flew on the broom.

The witch lost her hat. A dog found the hat. The witch lost her bow and a green bird found the bow. She also lost her wand and a green frog found the wand. Everybody flew on the broom. The frog jumped and the broom snapped in two. The animals fell in a bog. A hungry dragon wanted to eat the witch but a monster with four heads scared the dragon away.

The dog put a bone, the cat put a cone, the bird put a twig and the frog put a lily in the cauldron, the witch said her magic spell and out came a new fantastic broom.
